

EXPEDITION KIT LIST

updated **26 March 2013**
(replaces all previous versions)

This list is an illustration of the type of items you may need when undertaking a DofE Expedition. This list is to be used as a GUIDE only and there is no obligation to buy the specific items we recommend.

Quantities of some items depends on level and duration of expedition. For details of DofE Recommended Kit, visit www.DofE.org/go/exk.

All DofE participants and Leaders can get a great discount (**Leaders = 20%, participants = 15%**) off expedition clothing and equipment (online and in stores) at Cotswold Outdoor, the Recommended Retailer of Expedition Kit to the DofE.

Cotswold Outdoor statement: Price match... We are determined to give you a fair deal. If you find a product we sell for less

with other retailers and it is in stock, we will match the price or refund the difference.* Find out more about this discount from www.DofE.org/go/cotswoldoutdoor.

All of our Recommended Kit has been tested by DofE expedition teams.

The DofE Charity receives a royalty from all sales of Recommended Kit items, which helps to support our work with young people.
